"SAHYOG" Cluster of colleges of Social Work in R.T.M. Nagpur University

Concept: - Tirpude College of Social Work proposes to form a cluster named "SAHYOG" of colleges of social work in RTM Nagpur University. The cluster is basically formed to give platform for Academic, extracurricular & Co-curricular activities and exchanges. The forum will be paving way to sharing expertise and undertake collective programmes focusing on students' support and progression.

Objectives of the cluster:-

1. Cooperative efforts for strengthening the bonding among social work colleges.
2. Sharing of the experiences and expertise of the faculties.
3. To organise seminar and workshop in collaboration.
4. To organise co-curricular extracurricular activities
5. To organise faculty development programmes
6. To have library sharing
7. Capacity building of the social work colleges
8. To hold Student support and progression activities collectively
9. To promote communal harmony and national integration
10. To work for updation of syllabus .
